## **Certificate**

Dermatest GmbH confirms hereby that the Product

### **SYNERGETIC Biodegradable laundry liquid for baby clothes**

was evaluated for skin tolerability by means of epicutaneous testing on 30 subjects with sensitive skin under the control of dermatological specialists and according to international guidelines.

#### Study number 2303219183

No relevant skin reactions were detected in the test area following a single product application.

Therefore, from a clinical-dermatological point of view, the product was tolerated

## "excellently"

and can be declared as "dermatologically tested".

Based on the study design and the confirmed skin tolerability, the Dermatest® guaranty seal can be assigned for use for the test product.

The seal contains the month and year (04/23) of the testing
